Well, the Lobsters are now only one game ahead of the Maroons, and if the locals keep up the lick they started yesterday it will not be long before the position of the teams will be reversed. The locals took the Ogden crowd into camp at Glenwood park yesterday afternoon by a score of 7 to 2. The locals started in to win in the first inning and kept up their victorious march throughout the entire game.

Ogden started things by pounding out a nice two sack and crossed the home plate when Marshall tried to manage Cook's stalling grounder and threw the ball toward the mountains. Cook took third on the play and came romping home on Clark's catch of Kennedy's fly.

Again made an error in the second and the local bunch took another run as the result. In the next inning they took three more and another in the seventh. The Lobsters got one in the fifth and two in the seventh; and that was all. The teams lined up as follows:

SALT LAKE

Egan, 2b.	5	1	2	4	2	1	1	0	1
Cook, 3b.	5	1	0	0	0	0	0	0	0

LAWSON BROTHERS COMING.
Iver and Gussie May Appear on the
Saucer Soon.

Once more the announcement is made that the Lawson brothers, Iver and Gussie, are coming here to finish out the racing season on the Salt Palace track.

A letter has been received here from Iver in which he asks for terms for himself and Gussie to come here. They were immediately wired, offered good matches and told to come on as rapidly as possible. From all accounts the racing game on the east is in a bad way. The meets are not regular and the bicycle firms no longer pay fancy salaries to riders for using their particular brand of wheel.

The slump in the game in the east is a good thing for the local track as it gives the management a chance to secure some of the best riders in the world to race here.

RACES TOMORROW NIGHT.
Amateurs Matched to Race a Dis-
tance of Five Miles.

At tomorrow night's bicycle races the amateurs will have a chance at a match race. Araz and Downing, two of the fastest men in that class, will meet in a five-mile match motor pace race and the event promises to be exciting and interesting. Those who have watched the work of these two riders this season are well aware of the fact that they are evenly matched and are able to go some. This should insure a close, fast race. The amateurs will also have a half-mile open. The professionals will get a chance at the money in a five-mile lap race and a quarter-mile record trial.

HACKETT AFTER MARKHAM.
Man Who Met Green is Also After
Young Price.

George Hackett of Denver, the boy who met Phil Green at Provo last season, arrived in town last evening, and early this morning was out with a crop of challenges. Hackett looks as hard as nails and says he is in training. He made the announcement that he had a yearning to meet Young Price in a

twenty-round argument, and said he would be perfectly willing to make 118 pounds at 3 o'clock on the afternoon of the bout, or 122 pounds ringside. He declares that he has the sum of \$100 which he will wager on his ability to take Price's measure, and he is willing to sign articles that the winner take everything in sight.

Hackett says he is exceedingly anxious to meet Tommy Markham, the Mammoth boy who whipped Tommy Jacobs at Eureka. He says he can fight at 120 pounds ringside, and if Markham wants any of his game all he needs to do is to communicate with Sam Potts of this city.

Another change has taken place in the Maroons, and the management believes that the pitching staff is greatly strengthened thereby. Pettes has been given his walking papers and Ames, he with the fair hair and the large assortment of twisters and curves, has been signed and delivered. Ames is a college pitcher and has been officiating on the rubber for several amateur teams during the last three seasons. He has always made good and this season the management of the Maroons has been watching for a chance to land him. Yesterday a pretty good proposition was submitted to him and he accepted. He will probably pitch in one of the games this week.

This afternoon the Maroons and Lobsters will meet at Glenwood park. Ogden. Thomas will pitch for the Lobsters and Win Fullmer for the Lobsters.

DEFENDER IS INJURED.
Reliance Breaks Her Topmast Ten
Feet Above Masthead.

New York, June 17.—Two minutes after she crossed the starting line for a 30-mile race with the Columbia and Constitution over the Larchmont Yacht club's course on Long Island sound today, the Reliance's topmast snapped off under the pressure of her big club topsail and balloon jib topsail. The tangled mass of sails, spars and ribbon fell to leeward and hung partly suspended by the torn club topsail and its bolt ropes. With only 10 feet of a ragged stump of her topmast standing above the masthead, she withdrew from the race a cripple. Mr. Leslie, managing owner, said after the accident that the Reliance would sail the next race on Friday.

The Constitution and Columbia continued the race and the Constitution sailed the former cup defender by nine minutes, 46 seconds, elapsed time, and won the cup offered by Commodore F. T. Adams of the Larchmont club.

On the eve of the great race E. R. Thomas, the young millionaire who is a recent recruit to the turf, has furnished another sensation by purchasing the control of Jockey Rice from L. V. Bell. Mr. Thomas paid Mr. Bell \$50,000 for Hermis a month ago and is said to have given \$5,000 for Rice's contract, which runs for two years. The boy's salary, it is said, will be \$100 a year. He rode Hermis in all of his victories last year, but the most frequent comment on his riding was that the horse won in spite of the jockey.

The starters named for the big race, their probable riders and the time of their trial for the Suburban follows:

Horse, Jockey.	Weight.	Time.
Hermis (Rice)	125	2:13 1/2
Major Dancer (Hermis)	124	2:12 1/2
Goldsmith (Hermis)	115	2:13 1/2

Colonel Bill (Gannon)	121	2:13 1/2
Articulate (Larsen)	118	2:10 1/2
Hero (Michael)	117	2:14 1/2
Irish Lad (Reiter)	115	2:12 1/2
Igniter (Cochrane)	112	2:15
Water Boy (Adams)	112	2:14
Glenwater (Matthews)	108	2:12 1/2
City Bank (Cornell)	102	2:11 1/2
Afrander (Fuller)	119	2:18 1/2
His Eminence (Gannon)	105	2:16
Bonniebert (Hart)	115	2:13 1/2
Sambo (Lindsey)	95	2:10 1/2
Himself (Cochrane)	95	2:10 1/2
Injunction (Wagon)	90	2:10 1/2
Yard Arm (Hacker)	96	2:14
Herbert (McGee)	118	2:13 1/2
Hunter (Raine & Martin)	118	2:13 1/2
*Zoaraster	103	2:10 1/2

*Mile and a half.
*Doubtful starter.

While Articulate and Injunction would seem to have done the best work, this is not the case. Injunction was driven to the limit while Hermis made his trial under double wraps; Goldsmith was hard held and full of running. Water Boy was only galloping at the end of the trial, and Colonel Bill, Articulate, City Bank and Glenwater fully satisfied their trainers that they are on edge for the struggle.

As trainers look at it tonight, with a muddy track in sight, the general opinion is that Water Boy will win if he can beat Major Dancerfield, and Hermis will beat them both if he has recovered his old form. Mud, however, does not suit Hermis, while it greatly helps the chances of Major Dancerfield. The latter is likely to be the post favorite.

Irish Lad takes up 12 pounds for his victory in the Brooklyn handicap. Goldsmith is a 5 to 2 and Major Dancerfield at 7 to 1 in the betting forecasts tonight, with from 5 to 8 against Irish Lad, Colonel Bill, Hermis, Igniter, Afrander and Hero.

Savable a Favorite.
Chicago, June 17.—The Derby special at Harlem today furnished one of the most sensational finishes of the year.

Savable, Lingard and Judge Hines, in a fierce drive that commenced at the head of the stretch, came under the wire as named, heads apart. Savable, the American Derby favorite, held at 1 to 2 in the race today, showed wonderful gameness at a time when he appeared beaten, but Gray, who had the mount, held Savable together and rode him out to victory.

Los Angeles, June 17.—A fifteen-inning game with the score tied for the entire period of an ordinary game is a hard one to lose. Portland lost by the score of 4 to 3.

3, but the fight they put up will long be remembered in baseball circles. There was plenty of hitting throughout, and men were left on bases in nearly every inning, but the startling individual plays were the real features. Half a dozen times both teams had two and three men on bases with only a single needed to win, but that one hit could not be made. Hall and Shields pitched remarkable ball and were as steady as a clock when hits were needed. Nadeau in left field made the star catch of the season of a long fly from Wheeler's bat that forced him to back up against the fence to pull it down with his left hand. In the tenth inning Huriburt batted for Hoy and Carbett took the latter's place in center, where he did great work. In the seventh Rose singled and Tomlin drove him in with a scorching three-bagger down the right foul line. Rube Levy's decisions on bases were hard on both teams. Attendance, 3,000. Score:

OLD FOLKS' SUMMER FESTIVAL.

Committee Announces a Grand Excursion to American Fork, June 30—Conditions Governing the Outing With Full Instructions and a General Invitation to the Veterans.

The old folks central committee is pleased to announce that the annual outing for the aged people of Salt Lake City will be an excursion to American Fork, June 30, 1903. The residents of that city invite us to visit them, and partake of their hospitality. We now invite all people 70 years old and upwards to go with us, and we will make the trip as pleasant for them as we possibly can. This invitation is extended to persons of the age named without regard to race, faith or color. Age is the only passport needed to enjoy a pleasant trip. The movement aims to make the day one of joyous entertainment.

The officers of the Oregon Short Line have generously placed a train at our disposal. Supt. Read of the streetcar system will honor for passage to and from the depot all who wear the badges indicating their age. The following rules are adopted as to badges: All persons 70 years old and up to 80 must wear a red badge on the left breast. Those 80 years old and up to 90, a blue badge, 90 and up to 100, a white rosette. Should any applicant appear who may have reached 100 years we will furnish a gold star. The badges may be red or blue rosettes, or strips of ribbon, just as the wearers choose.

Tickets will be furnished from Bishop Preston's office, commencing June 23, by W. V. B. Barton, from 10 a. m. until 4 p. m., until all are disposed of. Bishops of wards wanting tickets will please bring a list of those wishing to go; ministers of the different denominations will kindly furnish names and ages of all applicants in their charge, who desire to accompany us. Blind persons are allowed an attendant; also

cripples unable to take care of themselves. We have no room for children and they will not be allowed to accompany their aged friends.
